Motobike Kiev the International exhibition of motorcycle, equipment and accessories, is the best showcase of the sector in Ukraine, offering to professional visitors and the public the opportunity to know about the latest trends, novelties, products on the Ukrainian market.

Motobike Kiev is an ideal business environment for an effective establishment and development of business contacts among Ukrainian and foreign professionals;

An exciting motor show, a targeted advertising promotion and the presence of the leading motorcycle brands attract a huge number of motofans and representatives of motorcycle business.

MotoBike Kiev - the only motorcycle exhibition and motor show in Ukraine

Ukraine has a great consumers' potential of 46 million inhabitants and it is an important and growing market for the moto industry. The surprising and amazing capital of Ukraine with over 3 million inhabitants and a strategic location at the crossroads between Western and Eastern Europe, is the ideal place to host **Motobike** exhibition with 22 490 professional visitors and final consumers.

Motobike Kiev 2019

features a wide range of special events:

- Motor show;
- Test drives;
- Opening of the Ukrainian moto season with moto-column with more than 300 participants.
